

Assistant Superintendent Position (2/15/2023)

Oso Beach Golf Course, Corpus Christi, TX

The assistant superintendent reports directly to the Golf Course Superintendent. Under the superintendents supervision the assistant directs and participates in the maintenance of the golf course greens, tees, fairways, rough and bunkers. The assistant superintendent will be responsible for the direct supervision of the crew and being in charge of managing a weekend staff. A self-motivated individual, team leader, able to diagnose turf problems, and some mechanical knowledge is necessary to be part of the agronomy team.

DAILY DUTIES:

Participate in planning and supervision of maintenance activities.

Coordinate with mechanic to ensure equipment is ready for the next day.

Participate in daily monitoring of putting greens (moisture, diseases)

Observe and evaluate playing conditions (mower quality, bunker raking, course setup)

Maintain effective employee and public relations.

Assist with record keeping, job boards, chemical and fertilizer applications.

Assist in operation of irrigation system by using Rainbird Cirrus, pump station operation, field observations, decoder functions, sprinkler adjustments, and irrigation repairs.

Follow and comply with company and departmental safety policies and ensure a safe work environment.

Perform other duties as required.

Ideal candidate will be a team player with a great attitude and strong work ethic. A 2-year turf degree is preferred in turfgrass management or 2 years of well-rounded golf course experience is required.

Warm season grass experience a plus.

Must possess a valid driver's license.

Currently possess a pesticide applicator license or the ability to obtain one in 90 days.

Knowledge of basic math, spray equipment and sprayer calibration.
