Sponsorship Opportunities

Meeting Sponsor

Each of the 5 regular meetings has a sponsor. The fee is \$300. In return the sponsor receives recognition at the meeting, in the newsletter and on the website as a sponsor and supporter of TGCSA.

Education

Each of the 5 regular meetings has an educational session. Many sponsors also provide the education but this is not required. Time is allowed for the sponsor, if so desired, to briefly share about himself or his company.

The education provided must be non-commercial in nature. The content can be anything of interest to the superintendent's profession. When the program is an hour long, often it can be approved by GCSAA and attendees can earn educational points. These types of meetings are often well attended.

Hole Sponsors

Typically, the golf at each meeting includes three (3) closest to the hole markers, placed on the par three holes. Sponsorship of a hole is \$50. The prize is paid in cash to the winner. The sponsor also receives recognition at the meeting, in the newsletter and on the website.

TGCSA is grateful for the sponsors and supporters of this chapter. New members and visitors are welcome at anytime.
